2.1 All instructions, notices, agreements, authorisations, approvals and acknowledgements shall be in writing. All such documentation together with all correspondence and other documents shall be in the English language.

Nevertheless, if for any reason it is considered necessary by the COMPANY to give an instruction to the CONTRACTOR orally in the first instance, the CONTRACTOR shall comply with such instruction. Any such oral instruction shall be confirmed in writing by COMPANY as soon as is reasonably practicable under the circumstances.

2.2 Any reference to statute, statutory provision or statutory instrument shall include any re-enactment or amendment thereof for the time being in force.

2.3 Unless the context otherwise requires, words importing the singular shall include the plural, and words importing the masculine gender shall include the feminine and neuter genders, and vice versa.

3. Invalidity and Severability

3.1 If any provision of the CONTRACT shall be found by any court or administrative body of competent jurisdiction to be invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions of the CONTRACT and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect. The COMPANY and the CONTRACTOR agree to attempt to substitute, for any such invalid or unenforceable provision, a valid or enforceable

provision which achieves to the greatest possible extent, the economic, legal and commercial objectives of the invalid or unenforceable provision.

4. Terms

4.1 The terms and conditions of the CONTRACT shall, to the fullest extent permitted by law, apply to the exclusion of all other terms and conditions including, without limitation, any terms and conditions of the CONTRACTOR or those which are implied by trade, custom, practice or course of dealing.

4.2 This CONTRACT constitutes the entire agreement between the PARTIES hereto with respect to the GOODS and/or WORK and supersedes all prior negotiations, statements, representations, promises, assurances, warranties, understandings or agreements related to the CONTRACT, whether written or oral. Each party acknowledges that in entering into this CONTRACT it does not rely on, and shall have no remedies in respect of, any statement, representation, promise, assurance, warranty (whether made innocently or negligently), understanding, or agreement that is not set out in this CONTRACT. No amendments to the CONTRACT shall be effective unless evidenced in writing and signed by the PARTIES.

5. Delivery

5.1 The CONTRACTOR will deliver or make the GOODS available to the COMPANY at the place specified in the CONTRACT on the DELIVERY DATE. Delivery of GOODS has to be effected "delivered duty paid" ("DDP", Incoterms 2020), when nothing else has been agreed on in writing.

5.2 The CONTRACTOR shall carry out the WORK in accordance with the timescales by the COMPANY in the CONTRACT or, failing such specification, promptly, using, in either case, best endeavours to ensure that the performance and completion of the WORK are not delayed or impeded.

5.3 Time of delivery and performance under this Clause 5 is of the essence.

5.4 In the event that the CONTRACTOR is unable to deliver the GOODS on the DELIVERY DATE or execute the WORK in accordance with the delivery dates or other agreed to schedule incorporated into the applicable order, and such delay is not attributable to the acts or omissions of the COMPANY, the COMPANY, in addition to any other remedies available to it, shall be entitled to

collect liquidated damages for such delay from the CONTRACTOR as follows: one percent (1 %) of the order value per week of delay or a pro rata percentage per day, limited up to a maximum of 5 % of the order value. The CONTRACTOR may provide evidence that the COMPANY has suffered no or a smaller loss. Payment of liquidated damages shall not relieve CONTRACTOR from performance of any of its obligations under the applicable order. The COMPANY shall have the right to recover from the CONTRACTOR the losses sustained and any costs incurred as a result of the delay that exceed the liquidated damages. The COMPANY sets an appropriate time limit for the CONTRACTOR to deliver the GOODS or to execute the WORK. If this time limit elapses without delivery or execution, the COMPANY shall have the right to terminate the CONTRACT.

6. Acceptance

6.1 After successful performance of all tests, Acceptance shall be effected by written notice of the COMPANY to CONTRACTOR by issuance of a Certificate of Acceptance. The ACCEPTANCE DATE shall be the date when a duly authorised employee or representative of the COMPANY accepts the GOODS and/or the WORK performed, delivered or collected.

6.2 The issuance of the Certificate of Acceptance by COMPANY does not discharge wholly or partly CONTRACTOR from any warranty claims or any other claims of COMPANY.

6.3 Acceptance shall not occur, before the GOODS and/or the WORK have been accepted by CLIENT.

7. Inclusive Price

7.1 The price which the COMPANY has agreed to pay for the GOODS and/or the WORK is set out in the CONTRACT and is exclusive of any applicable VAT but includes all other taxes, duties or other charges as applicable, and is not subject to change throughout the term of the CONTRACT in the absence of COMPANY's express prior written consent.

8. Access

8.1 The CONTRACTOR will allow the COMPANY to expedite, inspect and test the GOODS during manufacture at the CONTRACTOR's premises and/or to expedite, inspect and test provision of the WORK on reasonable prior notice. Any expediting, inspection, testing or any failure to do so shall in no way relieve the

CONTRACTOR of its obligations as specified in the CONTRACT.

9. Packing

9.1 The CONTRACTOR shall ensure that the GOODS are properly packed and secured in such a manner as to enable them to reach their destination in good condition.

9.2 Without prejudice to Clause 9.1 above, the CONTRACTOR will adhere to and comply with all instructions given by the COMPANY in the CONTRACT relating to packing, labelling and/or handling.

11. Hazardous Materials

11.1 To the extent the GOODS and/or WORK provided by the CONTRACTOR under the CONTRACT contain toxic, corrosive or hazardous materials, the CONTRACTOR will ensure that the GOODS and/or WORK comply with the requirements of all applicable laws and that a notice accompanies each consignment, together with appropriate care and handling instructions. The GOODS and/or WORK, supplied under the CONTRACT, which are contaminated beyond use, at the time of delivery, shall be regenerated or disposed of by the CONTRACTOR. The title and risk of such contaminated GOODS and/or WORK, will remain with the CONTRACTOR, who will bear all expenses for the said processes.

12. Spares

12.1 The CONTRACTOR shall give sufficient notice to the COMPANY of its intention to cease supply of component parts or replacements to enable the COMPANY to purchase such component parts or replacements.

13. Title and Risk

13.1 The COMPANY will be responsible for risk of loss or damage to the GOODS and/or WORK with effect from the ACCEPTANCE DATE of the GOODS and/or WORK. Risk of loss, damage or deterioration, in relation to any GOODS, must not pass to the COMPANY, until such

GOODS are accepted in accordance with the CONTRACT.

13.2 Title in and to the GOODS and/or WORK shall pass from CONTRACTOR to COMPANY on the earlier of (i) payment or part payment or (ii) the ACCEPTANCE DATE.

14. CONTRACTOR's General Obligations

14.1 The CONTRACTOR shall provide the WORK, including but not limited to all management, supervision, personnel, materials and equipment (except materials and equipment specified to be provided by the COMPANY), plant, consumables, facilities and all other things whether of a temporary or permanent nature, so far as the necessity for providing the same is specified in or reasonably to be inferred from the CONTRACT.

14.2 CONTRACTOR shall comply with and strictly adhere to the COMPANY's instructions and directions on all matters relating to the WORK except to the extent that compliance with such instructions or directions is legally or physically impossible or creates a hazard to safety.

14.3 The COMPANY reserves the right to enter into other contracts associated with the WORK. The CONTRACTOR shall afford the COMPANY and other contractors of the COMPANY reasonable access and opportunity to permit performance of their work or contracts and shall co-operate fully with such parties.

14.4 The CONTRACTOR shall be responsible for the programming of the WORK.

15. CONTRACTOR to inform itself

15.1 The CONTRACTOR shall be deemed to have satisfied itself, before entering into the CONTRACT, as to the extent and nature of the WORK including but not limited to the services, personnel, materials and equipment, plant, consumables and facilities required for the WORK, the correctness and sufficiency of the rates and prices entered in the CONTRACT, and all other matters which could affect progress of performance of the WORK.

15.2 Any failure by the CONTRACTOR to take account of matters which affect the WORK will not relieve the CONTRACTOR from its obligations under the CONTRACT.

16. Warranty

16.1 The CONTRACTOR irrevocably represents, warrants and guarantees that the GOODS and/or any materials and equipment or spares provided in the course of the WORK will be:

- (a) free from liens and any other claims of any nature;
- (b) free from any defects and deficiencies;
- (c) fit for their purpose or (if none specified) fit for ordinary purpose and any purpose held out or represented by the CONTRACTOR;
- (d) new or, where expressly agreed by the COMPANY, as new;
- (e) of merchantable and satisfactory quality;
- (f) provided in accordance with the CONTRACT including the specifications etc. set out in the CONTRACT.

16.2 The CONTRACTOR irrevocably represents, warrants and guarantees that the WORK is executed in accordance with the COMPANY's requirements, with all due care and diligence, with the skill to be expected of a reputable contractor experienced in the types of work to be carried out hereunder, free from defects, and in accordance with the provisions of the CONTRACT.

16.3 CONTRACTOR shall ensure that the provisions of this Clause 16 are contained in any SUBCONTRACT.

16.4 All warranties provided by the CONTRACTOR are not time limited.

16.5 The COMPANY shall have the right to reject any GOODS/WORK that are not in accordance with the CONTRACT. Title to any rejected GOODS/WORK shall revert to CONTRACTOR.

17. Assignment and Subcontracting

17.1 Assignment

(a) The COMPANY shall be entitled to sub-contract, assign, or transfer the CONTRACT or any part of its respective rights or obligations under the CONTRACT to any other party.

(b) The CONTRACTOR shall assign neither the CONTRACT nor any part of it nor any benefit or interest

in or under it without the prior written approval of the COMPANY.

17.2 Subcontracting

- (a) The CONTRACTOR shall not subcontract the whole of the WORK. The CONTRACTOR shall not subcontract major parts of the WORK without the prior written approval of the COMPANY.
- (b) No SUBCONTRACT shall bind or purport to bind the COMPANY or its joint venture partners (if any) or the CLIENT. Nevertheless, the CONTRACTOR shall ensure that any SUBCONTRACTOR shall be bound by and observe the provisions of the CONTRACT in so far as they apply to the SUBCONTRACT. Each SUBCONTRACT shall expressly provide for the CONTRACTOR'S unconditional right of assignment of the SUBCONTRACT to the COMPANY in the event that the COMPANY terminates the CONTRACT and wishes to have the SUBCONTRACT survive termination and be assigned to it.
- (c) The CONTRACTOR shall be responsible for all work, acts, omissions and defaults of any SUBCONTRACTOR as fully as if they were work, acts, omissions or defaults of the CONTRACTOR.

18. Contractor Personnel

- 18.1 The CONTRACTOR undertakes to provide sufficient personnel at all times to ensure performance and completion of the WORK in accordance with the provisions of the CONTRACT.
- 18.2 All personnel employed or supplied by CONTRACTOR for the WORK shall, for the work which they are required to perform, be competent, properly qualified, skilled and experienced in accordance with good industry practice to ensure that work is completed in accordance with the CONTRACT. The CONTRACTOR shall verify all relevant qualifications of such personnel.
- 18.3 Where key personnel of the CONTRACTOR are specified in the CONTRACT they shall not be replaced without the prior approval of the COMPANY. Any replacement shall work with the person to be replaced for a reasonable handover period.
- 18.4 The CONTRACTOR shall ensure that such key personnel and supervisory personnel of the CONTRACTOR and SUBCONTRACTORS shall read, write and speak fluent English.

18.5 The CONTRACTOR shall make its own arrangements for the engagement of personnel, local or otherwise, and, save in so far as the CONTRACT otherwise provides, for their payment and onshore transport, housing, maintenance and board and lodging.

18.6 The CONTRACTOR shall be responsible for any WORK performed by any agency personnel and by any other person provided by the CONTRACTOR in connection with the WORK as if the WORK was performed by the employees of the CONTRACTOR.

18.7 The CONTRACTOR shall ensure that all employees of the CONTRACTOR and any SUBCONTRACTOR engaged in the performance of the WORK comply with applicable laws including without limitation immigration laws and where required are in possession of a valid work permit for the duration of the CONTRACT. When requested details of such work permits shall be submitted to the COMPANY prior to the employee being engaged in the WORK.

18.8 The COMPANY may instruct the CONTRACTOR to remove from the worksite any person engaged in any part of the WORK who in the opinion of the COMPANY is:

- (a) incompetent or negligent in the performance of his duties; or
- (b) engaged in activities which are contrary or detrimental to the interests of the COMPANY; or
- (c) not conforming with relevant safety procedures described in the CONTRACT or persists in any conduct likely to be prejudicial to safety, health and environment; or
- (d) where requested by CLIENT.

Any such person shall be removed forthwith from the worksite. Any person removed for any of the above reasons shall not be engaged again in the WORK or on any other work of the COMPANY without the prior approval of the COMPANY.

The CONTRACTOR shall provide a suitable replacement for any such person within twenty four (24) hours or such longer time as may be agreed by the COMPANY. The CONTRACTOR is responsible for all liabilities and costs relating to and to indemnify the COMPANY in respect of:

- the dismissal, retirement or resignation of any of the CONTRACTOR personnel
 - the deemed transfer of CONTRACTOR personnel to any new contractor in the event of the award of a contract to that new contractor in the place of CONTRACTOR.
19. Examination and Defects Correction
- Examination
- 19.1 In order to confirm that the requirements of the CONTRACT are met the COMPANY shall have the right but not the obligation, at all times before delivery of the GOODS and/or during the performance of the WORK to examine the GOODS and/or WORK and all documentation relating thereto, and to reject any GOODS and/or WORK which does not comply with the requirements of the CONTRACT.
- 19.2 Neither failure on the part of the COMPANY or others to inspect the GOODS and/or WORK or witness or test or to discover defects before delivery nor failure to reject GOODS and/or WORK performed which is not in accordance with the CONTRACT shall relieve the CONTRACTOR from any liability or obligation under the CONTRACT.
- Defects Correction
- 19.3 If the COMPANY notifies CONTRACTOR of any breach of warranty under Clause 16.1, the CONTRACTOR will promptly repair, replace or rectify any of the GOODS (or any replacement). Risk in the GOODS or any part thereof, which do not comply with the requirements of the CONTRACT and which are rejected by the COMPANY shall re-vest in the CONTRACTOR on return to the CONTRACTOR.
- 19.4 In case the CONTRACTOR does not remedy the default within an appropriate time period, the COMPANY is entitled at his option to reduce the purchase price or terminate the CONTRACT in accordance with clause 25.1 (e).
- 19.5 If the COMPANY notifies CONTRACTOR of any breach of warranty under Clause 16.2, the CONTRACTOR shall, at its own expense, promptly carry out all work required to correct any defects in the WORK.
- 19.6 The COMPANY may decide that the carrying out by the CONTRACTOR of work necessary to correct warranty breach of Clause 16 (Warranty) will be prejudicial to its interests. In such cases the COMPANY may undertake the CONTRACTOR's responsibilities described above. The COMPANY shall notify the CONTRACTOR in such cases and shall be entitled to recover from the CONTRACTOR all additional costs reasonably incurred by the COMPANY as a direct result of carrying out such responsibilities.
20. Variations
- 20.1 COMPANY shall have the right to issue at any time up to the date of signing of the certificate of acceptance and for any reason any written instruction in respect of any work results and for actions that COMPANY requires CONTRACTOR to carry out.
- 20.2 If CONTRACTOR is of the opinion that any circumstance or any instruction given by the COMPANY constitutes or will result into a variation, CONTRACTOR shall inform COMPANY in writing by submitting a written statement to COMPANY stating why the circumstances or the instructions constitute a variation.
- 20.3 COMPANY shall compensate CONTRACTOR only such variations and grant an extension of time, which either (i) have been ordered by COMPANY or (ii) which are compulsorily required after the revision of any laws or other regulations, standards, codes or official requirements (including ordinances and administrative acts).
- No compensation shall be paid by COMPANY and there shall be no impact on the agreed dates, if the variation was caused due to a default or breach of the CONTRACT by CONTRACTOR.
- 20.4 Within fourteen (14) days after having given the statement as per Clause 20.2, CONTRACTOR shall submit a written variation offer together with any necessary drawings, descriptions and specifications as well as identifying any associated cost increase or decrease, payment terms and effects on the time limits, if any. CONTRACTOR will be deemed to have waived any right to such adjustment if such a claim is not received by COMPANY in fourteen (14) days.
- 20.5 The variation is only agreed upon if COMPANY has given its approval in the form of a written variation order.

- 20.6 CONTRACTOR shall be obliged to proceed with the instructions of the COMPANY after the variation was agreed.
- 20.7 Any price increased or reduced on account of an agreed variation shall be a fixed price or price reduction or reimbursable amount, respectively, payable/reimbursable for the entire scope of work results so varied.
21. Force Majeure
- 21.1 Neither the COMPANY nor the CONTRACTOR shall be responsible for any failure to fulfil any term or condition of the CONTRACT if and to the extent that fulfilment has been delayed or temporarily prevented by a force majeure occurrence, as hereunder defined, which is beyond the control and without the fault or negligence of the PARTY affected and which, by the exercise of reasonable diligence, the said PARTY is unable to provide against.
- 21.2 For the purposes of the CONTRACT only the following occurrences shall be force majeure ('force majeure occurrence'):
- (a) Riot, war, invasion, act of foreign enemies, hostilities (whether war be declared or not), acts of terrorism, civil war, rebellion, revolution, insurrection of military or usurped power but excluding community disturbances in locations where they are a common occurrence;
 - (b) Ionising radiations or contamination by radio-activity from any nuclear fuel or from any nuclear waste from the combustion of nuclear fuel or radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof;
 - (c) Pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speeds;
 - (d) Earthquake, flood, fire, explosion, volcanic ash and/or other natural physical disaster, but excluding weather conditions as such, regardless of severity;
 - (e) Strikes at a national or regional level or industrial disputes at a national or regional level, or strikes or industrial disputes not involving CONTRACTOR GROUP personnel which affect a substantial or essential portion of the GOODS or WORK.
 - (f) Maritime or aviation disasters;
- (g) Changes to any general or local Statute, Ordinance, Decree, or other Law, or any regulation or bye-law of any local or other duly constituted authority or the introduction of any such Statute, Ordinance, Decree, Law, regulation or bye-law.
- 21.3 Should a party wish to rely on Force Majeure, they must give notice to that effect.
- 21.4 Save as otherwise expressly provided in this CONTRACT, no payment of whatever nature shall be made in respect of or during a force majeure occurrence. If any force majeure occurrence delaying either PARTY lasts more than thirty (30) days, COMPANY may terminate the CONTRACT without penalty or further liability to CONTRACTOR and with immediate effect by written notice to CONTRACTOR.
22. Suspension
- 22.1 The COMPANY shall have the right, by notice to the CONTRACTOR, to suspend the delivery of GOODS and/or WORK or any part thereof to the extent detailed in the notice, for any of the following reasons:
- (a) subject only to Clause 22.3, in the event of some default on the part of the CONTRACTOR or any SUBCONTRACTOR; or
 - (b) in the event that suspension is necessary for the proper execution or safety of the delivery of GOODS and/or performance of WORK or persons; or
 - (c) to suit the convenience of the COMPANY;
 - (d) or in the event of suspension by the CLIENT.
- 22.2 Upon receipt of such notice, the CONTRACTOR shall, unless instructed otherwise;
- (a) suspend the delivery of the GOODS or part of the GOODS or discontinue the WORK or part of the WORK detailed in the notice, on the date and to the extent specified, and
 - (b) properly protect and secure the GOODS and/or WORK as required by the COMPANY.
- 22.3 In the event of default on the part of the CONTRACTOR and before the issue by the COMPANY of a notice to suspend delivery of the GOODS and/or performance of the WORK or any part thereof, the COMPANY shall give notice of default to the CONTRACTOR giving details of

Terms and Conditions of Purchase- Long Form

Revision 2
March 2020

such default. If the CONTRACTOR, upon receipt of such notice, does not commence and thereafter continuously proceed with action satisfactory to the COMPANY to remedy such default the COMPANY may issue a notice of suspension in accordance with the provisions of Clause 22.1.

22.4 Unless the suspension arises as a result of default on the part of the CONTRACTOR or SUBCONTRACTOR (in which case no additional sums will be payable to the CONTRACTOR during the period of suspension), and in the event such a suspension causes a change in the cost to CONTRACTOR for performing the CONTRACT, the CONTRACTOR will have fourteen (14) days from the commencement of the suspension to submit a claim to the COMPANY for adjustment to the price hereunder (which clearly identifies how the suspension has caused an increase in the costs incurred by the CONTRACTOR in performing the CONTRACT). The COMPANY shall have complete discretion to determine the claims for price adjustment which are made by the CONTRACTOR as the COMPANY at its sole discretion deems appropriate. CONTRACTOR will be deemed to have waived any right to such adjustment if such a claim is not received by COMPANY within fourteen (14) days of the commencement of the suspension.

22.5 If suspension results from default on the part of the CONTRACTOR or SUBCONTRACTOR, any additional costs reasonably incurred by the COMPANY as a direct result shall be recoverable on demand by the COMPANY from CONTRACTOR.

22.6 The COMPANY will determine when a suspension ends. The COMPANY may, by further notice, instruct the CONTRACTOR to resume the delivery of the GOODS and/or performance of the WORK to the extent specified.

22.7 In the event of any suspension, the COMPANY and the CONTRACTOR shall meet at not more than seven (7) day intervals with a view to agreeing a mutually acceptable course of action during the suspension.

22.8 If the period of any suspension not arising as a result of default on the part of the CONTRACTOR exceeds thirty (30) days, the CONTRACTOR may serve a notice on the COMPANY requiring permission within fourteen (14) days from receipt of such notice to proceed with the delivery of the GOODS or part thereof or performance of the WORK or part thereof subject to suspension. If within said fourteen (14) days the COMPANY does not grant such permission the CONTRACTOR, by a further notice, may (but is not bound to) elect to treat the suspension as either:

- (a) where it affects only part of the GOODS and/or WORK, an omission of such part under Clause 20 (Variations); or
- (b) where it affects the whole of the WORK, termination in accordance with Clause 25.1 (Termination).

23. Terms of Payment

23.1 The COMPANY is not obliged to make payment unless GOODS have been accepted or WORK has been completed to COMPANY's satisfaction. The COMPANY will pay for the GOODS and/or the WORK against the CONTRACTOR's correctly prepared invoice in the amounts specified in the CONTRACT within 14 days from date of receipt of CONTRACTOR's invoice with a discount of 3 %, within 21 days with a discount of 2 % or net within 60 days, the receipt not being earlier than the ACCEPTANCE DATE unless otherwise stated in the CONTRACT. The CONTRACTOR shall submit its invoice latest within 120 calendar days from the date of delivery. The COMPANY may reject payment of any invoices received after that period. Where sums are being recharged to a CLIENT there must be sufficient time after receipt of invoice to allow recharge to the CLIENT.

23.2 If the COMPANY disputes any items on any invoice in whole or in part or if the invoice is prepared or submitted incorrectly in any respect, the COMPANY shall notify the CONTRACTOR of the reasons and request the CONTRACTOR to issue a credit note for the unaccepted part or whole of the invoice as applicable. Upon receipt of such credit note the COMPANY shall be obliged to pay the undisputed part of a disputed invoice.

23.3 On settlement of any dispute, the CONTRACTOR shall submit an invoice for sums due and upon receipt of correct invoice the COMPANY shall make the appropriate payment within forty-five (45) days of receipt thereof.

23.4 The COMPANY has a right to set-off or withhold sums that are owed to it by the CONTRACTOR.

23.5 Interest shall be payable for late payment of correctly prepared and supported invoices. The amount of interest payable shall not exceed 2 per cent per annum. Interest shall run from the date on which the sum in question becomes due for payment in accordance with the provisions of Clause 23.1 until the date on which actual payment is made. Any such interest to be claimed by the CONTRACTOR shall be invoiced separately and

Terms and Conditions of Purchase- Long Form

within ten (10) working days of payment of the invoice to which the interest relates. Payment of the invoice claiming interest shall be in accordance with the provisions of Clause 23 hereof.

23.6 All payments contemplated under the CONTRACT are exclusive of applicable VAT, which shall be charged by and accounted to the relevant tax authority by the relevant PARTY as is required under the prevailing VAT legislation. Furthermore, the CONTRACTOR will comply with all applicable invoicing requirements of the COMPANY regarding the charging and accounting of VAT.

23.7 Payments by COMPANY to CONTRACTOR shall only be made by cheque or wire transfer to a bank account of CONTRACTOR, details of which shall be given to COMPANY in writing. Such notification shall be deemed to constitute a representation and warranty that the bank account so notified is owned and controlled solely by CONTRACTOR and no person other than CONTRACTOR has ownership of or interest in such account.

24. Taxes and Customs Procedures

Taxes and Tax Exemption Certificates

24.1 The CONTRACTOR shall, in accordance with the provisions of Clause 33 (Laws and Language) be responsible for:

(a) the payment of all taxes, duties, levies, charges and contributions (and any interest or penalties thereon) for which the CONTRACTOR is liable as imposed by any appropriate governmental authority or any other organization whose decrees have the force of law (hereinafter in this Clause 24 and in Clause 31 and Clause 33 referred to as to as "governmental authority") whether of the United Kingdom or elsewhere, whether or not they are calculated by reference to the wages, salaries, benefits or expenses and other remuneration paid directly or indirectly to persons engaged or employed by the CONTRACTOR; and

(b) the payment of all taxes, duties, levies and charges and contributions (and any interest or penalties thereon) including but not limited to income, profits, corporation taxes and taxes on capital gains, turnover and added value taxes for which the CONTRACTOR is liable, whether arising in the United Kingdom, its territorial waters, its continental shelf or elsewhere, now or hereafter levied or imposed by any appropriate

governmental authority whether of the United Kingdom or elsewhere, arising from this CONTRACT; and

(c) compliance with all statutory obligations to make deductions on account of tax and remit the required amounts to any appropriate governmental authority whether of the United Kingdom or elsewhere, including, but not limited to income tax, PAYE, national insurance, employee taxes, charges, social security costs, levies and contributions whether or not they are measured by the wages, salaries or other remuneration or benefits paid to persons employed by the CONTRACTOR, or persons providing services in connection with the CONTRACT to the CONTRACTOR, and the imposition of a similar obligation upon all SUBCONTRACTORS or any other persons employed by them or providing services to them in connection with the CONTRACT; and

(d) ensuring that any SUBCONTRACTOR or any other person employed, or providing services on or in connection with the CONTRACT shall comply with this Clause.

24.2 Notwithstanding anything else herein contained and taking into account the laws of the country where the GOODS are being provided and/or WORK is being performed, the CONTRACTOR agrees that it shall be responsible for payment of all taxes properly payable by it, including but not limited to withholding taxes and the CONTRACTOR further acknowledges that the COMPANY may, if statutorily obligated, remit payment of such taxes directly to the applicable taxing authority for the payment due to the CONTRACTOR. The COMPANY shall if so required provide to the CONTRACTOR receipts of such payments in the name of the CONTRACTOR within such period as may be reasonable in the circumstances, of such payments being made to the applicable taxing authority.
